

BlueDental Smile Savings Program

West Springfield Dental Arts offers an affordable annual subscription program for its patients that provides huge savings for regular checkups and additional services as needed.

Our Program Provides:

- **2- Regular Cleanings in 12 months ***
- **2- Initial or Regular Exams***
- **1- Set of Bitewing (cavity detecting) X-rays***
- **1- Fluoride Varnish Application for adults; 2 for children 13 and younger***
- **15% off ALL Other Services**
- *** Preventive Services are discounted at least 25%**

This is an excellent opportunity to maintain good oral health at a lower cost and detect concerns at an early state, when they are likely to be less costly. A single, full payment must be made prior to the first appointment to be eligible for this program. All services must be used within 1 year of payment or the program is void and right to service is forfeited. We suggest booking both appointments upon payment.

Periodontal patients are eligible at an additional cost for the first 2 visits per year, and receive 15% off any additional visits. Codes D4355 and D4346 are provided at the discounted rate.

This program cannot be combined with dental insurance or any other offer or discount.
